

PRESS RELEASE – FOR IMMEDIATE RELEASE

Date: 7 November 2022

GOLD SPONSORS TO SHINE AT PPXXI

PPXXI in Lake Buena Vista, scheduled for September 25 – 27, 2023, welcomes LyondellBasell as a Gold Sponsor. “The LyondellBasell legacy has driven the modern development of high-quality polymer grades”, says Sarah Patterson, PPXXI Organizing Committee Chair. “Further, the company continues to shine with its game-changing technology and innovation.”

“Our path from polymer to pipe has been instrumental in establishing plastics as the pipe material of choice for the replacement of traditional materials and for a broad range of applications,” said Palmer Giddings, vice president of Polyolefins Americas, LyondellBasell. “Participating in PPXXI helps us to remain closely connected to new and developing technologies in our industry to help us drive solutions for our customers.”

LyondellBasell is a global leader in the chemical industry and is headquartered in Houston, Texas with approximately 95 manufacturing sites throughout the world.

Exhibition showcase

As with the Main Corporate as well as Gold and Silver level sponsors, LyondellBasell will have a booth with preferential location in the Exhibition Hall that accompanies the PPXXI Conference. This three-day exhibition showcases important aspects of the plastic pipes industry and features the latest developments in product design, manufacture, maintenance, evaluation and testing procedures for plastic pipe systems.

The exhibition is unique in that it reflects the complete scale of the supply chain that services the global plastic pipe industry. Furthermore, it provides exhibitors with a direct interface for networking with attendees to position and highlight their products, solutions and services.

The following sponsors are on board for PPXXI in Lake Buena Vista:

- Gold: battenfeld-cincinnati; LyondellBasell
- Silver Element Materials Technology
- Gala Dinner: The European Plastic Pipes and Fittings Association (TEPPFA)
- iPad: PE100+ Association; PVC4Pipes
- Lunch Sponsors: Tecnomatic; FB Balzanelli USA
- Coffee Breaks: INVISTA; PSILAB

Information, online registration, exhibition space and further sponsorship opportunities for PPXXI are available through: <https://ppxxi.com>

ABOUT LYONDELLBASELL

As a leader in the global chemical industry, LyondellBasell strives every day to be the safest, best operated and most valued company in our industry. The company's products, materials and technologies are advancing sustainable solutions for food safety, access to clean water, healthcare and fuel efficiency in more than 100 international markets. LyondellBasell places high priority on diversity, equity and inclusion and is Advancing Good with an emphasis on our planet, the communities where we operate and our future workforce. The company takes great pride in its world-class technology and customer focus. LyondellBasell has stepped up its circularity and climate ambitions and actions to address the global challenges of plastic waste and decarbonization. In 2022, LyondellBasell was named as one of FORTUNE Magazine's "World's Most Admired Companies" for the fifth consecutive year. For more information, please visit www.lyondellbasell.com or follow [@LyondellBasell](https://www.linkedin.com/company/lyondellbasell) on LinkedIn.

Note to Editors: PPCA conferences are self-financing and any profits from one event are reinvested in future conferences, educational tools or "spin-off" events.
