PRESS RELEASE – FOR IMMEDIATE RELEASE

Date: 15 June 2022

BATTENFELD-CINCINNATI INCREASE THEIR SUPPORT OF PPXXI

Battenfeld-cincinnati, global manufacturer of extrusion line systems, are to be a Gold Sponsor of the PPXXI Conference and Exhibition hosted in Lake Buena Vista (near Orlando) on 25 – 27 September 2023.

Sarah Patterson, PPXXI Organizing Committee Chair, comments: “We are delighted that battenfeld-cincinnati has claimed its position as a gold sponsor of PPXXI. Battenfeld-cincinnati’s history spans many years, reaching back to 1946. Their knowledge and solutions continue to contribute to the growth of plastic pipe systems globally.”

Battenfeld-cincinnati specialize exclusively in the extrusion sector. With five locations between Germany, Austria, China and the USA, the company is a global player in the innovative development, design and manufacture of extrusion line systems for plastic pipe systems.

Based in Bad Oeynhausen, Germany, the battenfeld-cincinnati Group is a leading worldwide supplier of machines and equipment that produce a wide range of applications – as standard, and in the form of individual, customized solutions.

"The Group is dedicated to sustainability topics such as energy efficiency, conservation of resources and reduction of material consumption," comments Paul Godwin, President & CEO of battenfeld-cincinnati USA. "Our solutions are geared to providing top performance and energy efficiency in a world where customer satisfaction and success continue to be the basis for long-term profitable growth."

Organizers of PPXXI note that their sponsorship packages range from coffee break sponsors through to corporate sponsors. Benefits span branding, technical highlights, free registrations/exhibition booth and engagement possibilities with attendees.
